Subject: FW: Agenda - Federal Overreach Summit
Attachments: Federal Overreach Summit Agenda.pdf

Tom and all:

In the note below and in the attachment you will see that next Monday there will be a "federal overreach summit" in Alaska that includes participation by the Governor, the Attorney General and the Congressional delegation. While a lot of this will deal with other federal agencies I see that at least one panelist, Lisa Reimers from Iliamna, has been active in the Bristol Bay Watershed Assessment process. This has become an almost annual event in Alaska where there is continuing resentment about the federal presence more than 50 years after statehood. I just wanted you all to be aware of this as this will get some Alaska press coverage and we are likely one of the agencies that will get at least some of the attention.

Subject: FW: Agenda - Federal Overreach Summit

Good morning,

FYI - Attached is an tentative agenda for a Federal Overreach Summit that is scheduled for next Monday and Tuesday here in Anchorage. It is being convened by a group called "Citizens Advisory Commission on Federal Areas" but is

strongly supported by the Governor's office (as illustrated by the agenda). As far as I can tell, there is no federal representation at this meeting.
